

# Holy Week Worship Services

Thursday, March 29, 4 to 6pm – **Private Confession and Words of Forgiveness**

In reflection and self-examination, this is an opportunity to share a troubling, painful, difficult experience or behavior in privacy with your pastor. Come and share and be reminded you are forgiven and encouraged to be free from whatever brings you concern, brokenness or personal pain.

Pastor Kenny will be available to hear private confession and, in confidence, share words of God's love, forgiveness, redemption and hope.

6:30pm – **Maundy Thursday Passover Seder Meal**

Quite different from a usual worship service, this service will give a chance to understand the Jewish tradition of Passover, through which we remember the liberation from slavery and reflect on the ways God still frees us from bondage.

Friday, March 30, 12 to 3pm **Good Friday Meditation, Reflection, Private Confession and Words of Forgiveness**

The sanctuary will be open for self-guided prayer, meditation and reflection.

7pm – **Good Friday Service of Reflection**

In candlelight, we gather in silence as we prepare for worship, reflection, prayer, singing, hearing and participating in the Passion story. We will leave in silence as we contemplate and wait for the celebration of Easter.
